*"I slept with faith and found a corpse in my arms on awakening:
I drank and danced all night with doubt and found her a virgin in the morning."*

Aleister Crowley

Steven Severin's CODEX ASTRA is a series based on quotes by Aleister Crowley. "Circles of Silver" (etd0010) is the first in a series of 4 CD EP's of ambient tracks that sound as if they would be the back drop for some sort of Gnostic Mass or Magickal Rite used for ritual soundscape.

The 'Codex Astra' series will be a 4 volume CDEP set that will be available in limited edition as 777 copies of each of the four titles for a limited time and then available later as compiled sets at the very end of the release cycle as a compilation in deluxe EROTOTOX vinyl format of all 4 volumes.

Each 'Codex Astra' volume will be released over the course of 2010 in CD format and then all 4 available as a final vinyl release entitled "A B R A H A D A B R A". Codex Astra will be released in the following order with the following titles:

- Codex Astra I: Circles of Silver
- Codex Astra II: Hours of Gold
- Codex Astra III: Idols of Glass
- Codex Astra IV: Wand of Flame
- Codex Astra: A B R A H A D A B R A
- (Deluxe Vinyl Edition Compilation of all four volumes)
